

# Health & Safety Policy Statement

Sewtec Automation Limited recognise our duties under the Health & Safety at Work Act 1974 and the accompanying protective legislation. We will endeavour to meet the requirements of this legislation to ensure that we maintain a safe and healthy working environment.

The company aims to establish, implement and maintain procedures for the ongoing hazard identification, risk assessment and determination of necessary controls to prevent personal injury and ill-health in line with ISO45001:2018.

In particular to:

- provide adequate control of the health and safety risks arising from work activities
- maintain a constant and continuing interest in health and safety matters applicable to the company's activities, by consulting, involving and communicating with employees or their representatives wherever possible.
- to provide and maintain safe plant and equipment
- to ensure the safe handling and use of substances
- provide information, training, instruction and supervision to enable employees to perform their work competently, safely and efficiently
- provide and maintain a safe, healthy and supportive working environment
- make available all necessary safety devices and protective equipment/clothing as may be necessary, and to supervise their use

In order that we can achieve our objectives, and ensure our employees recognise their duties under Health and Safety legislation whilst at work, we must ensure that we inform them of their duty to take reasonable care of themselves and others that may be affected by their activities.

We ensure our employees are informed of their obligations to ensure they support all Health & Safety activities and adhere to all safety rules.

The company will review and revise this policy statement as necessary at regular intervals.
